

THANK YOU GOD

God, thank you for the many gifts and abilities You have given me. Please forgive me for I know I take many of them for granted every day. Please help me retain these gifts and abilities and have compassion for those who have lost or never had them all.

God, thank you for my abilities to:

See and enjoy the beauty of your creation.

Hear and enjoy conversation and sounds of nature.

Breathe without difficulty or aid.

Walk without pain or aid.

Exercise and keep my body, your temple, physically fit.

Talk and share my thoughts and faith with others.

Think clearly and rationally.

Eat and Drink by myself and without special devices or preparations.

Smell and Taste so I may enjoy life to its fullest as you intended.

Feel (both physically and emotionally) without paralysis of either.

Read and Comprehend so I can continue to learn.

Love and Be Loved. (Your most precious gift)

Be Free and live in this United States of America.

You-God - for Your wonderful creation, Son, Holy Spirit and grace.

Your Grace - for understanding me, accepting me, and forgiving me of my sins.

In Your name I pray, Amen.
