

# Blessing House Ministries

## Founded by Judy Groenke

*Blessing House* is a ministry which shares the word of God with the general public through Blessing Jars. Judy Groenke has spent many hours typing hundreds of scriptures, copying them off, cutting them into strips, folding them and placing them into these Blessing Jars. Over the years many people have enjoyed reading these strips of scriptures while visiting their local businesses and offices. As people pass by these Blessing Jars, they are able to quickly reach into the Blessing Jar and pull out a scripture, read it and either keep it or return it to the jar for others to enjoy. Often these scriptures offer encouragement and hope and remind them of God's love for them.

The concept for "*Blessing House*" and for the Blessing Jars came to Judy in the winter of 1994. Although the idea began as a for-profit business, Judy eventually decided to turn it into a pure non-profit ministry project. She now offers churches and businesses these typed scriptures for Blessing Jars at **No Cost**. She has five versions of scripture available for use in Blessing Jars: King James Version (KJV), New King James Version (NKJV), New International Version (NIV), The Living Bible (TLB), and The Living Bible - Proverbs (TLB - Proverbs).

Her desire now is to share her work and God's word with as many people as possible. She wants to supply copies of her typed scriptures to be used in Blessing Jars in churches and businesses throughout the country. If you have someone in your congregation or business who would be willing to be in charge of keeping a Blessing Jar stocked with scriptures, they would be responsible for obtaining an appropriate jar and making sure it is kept full by copying each page of the master copy scriptures (on white or colored paper), cutting them into strips, folding the strips and placing them into the Blessing Jars as needed.

Thank you for helping Judy spread the word of God in a fun and rewarding way.
