Christians Helping to Restore the Importance of Scriptural Teachings by Providing Affordable Literature and Scripture

C.H.R.I.S.T. P.A.L.S. is the name of a local, non-chartered, non-profit organization made up of enthusiastic Christians passionate about sharing God's Word. The organization is flexible to accommodate the needs and desires of its members and the community. The members may be all men or all women or both.

The meetings are geared toward the fellowship of like-minded Christian believers. They may include testimonies of members or visitors, or feature the discussion of a certain Bible verse or topic. But the main focus of the group is to determine ways to distribute Scripture and other Christian literature.

The group may purchase Bibles, pamphlets, tracts and cards and give them away or make them available at cost to other Christian ministries and organizations as churches. This is all done to encourage Christians in their ministries and help make disciples of believers and non-believers alike. The Bible says we are to make disciples of all nations, not just believers. Disciples are Christians who make it a habit to pray and study God's Word and grow in a relationship with God.

As a Christian society, we are supposed to help the poor and needy – those who can't help themselves. But if we just help provide for the physical and material needs of non-believers and not their spiritual needs, then we are just making their lives a little more comfortable before they die and go to hell. Although it is important for Christians to show the lost that we truly care for them, it is eternally more important that they accept Jesus as their Lord and Savior. Therefore when we provide Bibles and Christian literature to people in a loving manner, we are encouraging fellow believers and inviting non-believers to become Christians.

So if you feel a need in your community for such an organization, why don't you begin a C.H.R.I.S.T. P.A.L.S. group.
